

## GP Clinical Fellowship Programme

**Are you looking for a role in a dynamic General Practice setting?  
Are you?**

- A GP preferably within 5 years of post-CCT?
- Looking to develop your role in a practice setting?
- Interested in developing your special interest?
- Looking for the opportunity to widen and develop your experience in General Practice?
- Keen to get involved in the future of commissioning

### **YES!**

Become a GP in **Hertfordshire and West Essex** by working as a GP on our GP Clinical Fellowship Programme.

We are looking for dynamic, resourceful, creative GPs with leadership aspirations who are looking to develop a range of skills working across primary, secondary, and education settings to join us. If you want to develop your clinical, education and leadership potential then we want to hear from you.

Employment will initially be on a fixed term basis of one year with the intention of future permanent employment. Models will vary depending on employers and your requirements. An employment offer may look something like:

- 4-6 sessions of work in general practice
- 2 sessions working as a GP in a specialist placement
- Funding towards a post graduate qualification

### **Benefits of being on the programme:**

- 1 year Programme designed to promote career progression;
- Funding available to support the educational programme leading to an accredited qualification
- Placement to enhance clinical skills or based around commissioning
- Salary - minimum of £9,000 per annum per session.
