

Beds & Herts LMC Ltd: Weekly Update for Practices, Monday 29th March 2021

1. COVID-19 vaccination programme – updates from BMA

Frequently Asked Questions for second doses

NHSE/I has published some [FAQs to help answer some questions relating to second doses of the COVID-19 vaccination](#), including location of second doses, interval period and consent.

Quality Assurance Framework and SOP for lateral flow devices for COVID-19 vaccination sites

NHSE/I has published a [Quality Assurance Framework for COVID-19 vaccination sites](#), to use as a tool aligned to the operating frameworks and standard operating procedures underpinning the delivery models for these settings.

NHSE/I has also published a [Standard Operating Procedure \(SOP\) for usage of lateral flow devices for asymptomatic NHS staff testing](#) at vaccination sites.

COVID-19 vaccines and pregnancy

There has been some confusion around the eligibility of pregnant women for the COVID-19 vaccine. While it is not currently available to all pregnant women, those who are at high risk of exposure to the virus, including health and care workers, or with high risk medical conditions *are* eligible. This includes women diagnosed with gestational diabetes in pregnancy or those with a BMI of more than 40 at their antenatal booking appointment.

The benefits and risks of COVID-19 vaccination in pregnancy should be discussed on an individual basis. The discussion should include acknowledgement that, while there is no known risk associated with giving other non-live vaccines to pregnant women, there are no specific data as yet about the safety of COVID-19 vaccination in pregnancy. More information including FAQs and a decision aid are available from the [RCOG website](#).

In addition, the National Clinical Director for Maternity and Women's Health, and the Chief Midwifery Officer, have published a [letter setting out actions for maternity services to identify and invite pregnant women for vaccination](#), and enabling them to make an informed choice about receiving it.

2. Support for CCGs in addressing vaccine inequalities

In February, £4.2 million of funding was allocated to STPs to be used across CCGs to support and enable locally led community engagement in all areas with health inequalities. NHSE/I has now pledged an [additional £3 million of funding](#) to support further local activity in addressing local vaccine inequalities. From 26 March, regions are invited to submit funding applications for their CCGs. We expect that CCGs will liaise with PCNs in submitting applications and keep all practices informed of how any funding is used.

3. Annual allowance voluntary scheme pays 2018/19 deadline extension

An annual allowance repayment scheme was introduced in December 2020. The scheme guarantees any annual allowance tax charge in 2019/20, for eligible clinicians will be compensated for at the time of retirement. The deadline for submitting an application form for the scheme for GPs who have or who are planning to retire by 31 March 2021, has been extended to 31 March 2021. For detailed advice on the scheme, please click [here](#).

4. BMA moral distress survey

The BMA has launched a [survey on moral distress](#), open to all UK doctors, including retired doctors, although it is not aimed at medical students. The survey will remain open until Sunday 11 April.

The survey asks about your understanding of moral distress and moral injury, whether you have come across these terms before or have experienced them. The impact of COVID-19 and potential solutions are also considered. The findings will be used to make recommendations and allow the BMA to help mitigate this problem throughout the UK's medical workforce.

Please take the survey, and read more about moral distress and how it impacts doctors, [here](#).

Updates - If you have missed any of our regular bulletins for practices, please visit the [Weekly Updates](#) section of our website.

BHLMC Job Board - Advertise your practice vacancies with us on our Job Board on the website [here](#). If you are interested in posting an advert please contact lmcadmin@bhlmc.co.uk for more information.

Locums - If you are a Locum and would like to receive mailings and updates from Beds & Herts LMC Ltd please register via the [online form](#) and we can add you to our database.
