

## Beds & Herts LMC Ltd: Weekly Update for Practices, Monday 14<sup>th</sup> February 2022

### 1. Infection prevention control and risk assessments

GPC England and the BMA's Occupational Medicine Committee have now published [guidance on risk assessments for practices](#) to advise that employers should carry out risk assessments and provide mitigations to reduce risk of contracting COVID.

This follows the [abbreviated guidance for practices](#) on COVID-19 Infection Prevention and Control published in January, which includes a template letter to CCGs requesting support with getting RPE supply.

### 2. GP workforce data

The latest [GP workforce figures \(from December 2021\)](#) have now been published. Following extensive lobbying by the BMA, the data once again includes full estimates of the GP workforce (NHS Digital initially removed these estimates in August 2021). There have been several methodological changes since the estimates were last included so figures have been revised back to the start of collection in 2015. The data in this release and future releases is therefore not comparable to previous figures.

Data for December shows a decrease of the equivalent of 188 full time fully qualified GPs over the last year since December 2020. We now have the equivalent of 1,516 fewer fully qualified full time GPs than in 2015.

On a headcount basis, over the last year from December 2020 to December 2021 we have lost 454 GP Partners and gained 305 salaried GPs.

It is also worth noting that despite reductions in the fully qualified GP workforce, the average number of patients each GP is responsible for has increased by around 300 – or 15% - since 2015.

### 3. 2019/20 Pensions Annual Allowance Charge Compensation Policy

The application window for 2019/20 Pensions Annual Allowance Charge Compensation Policy applications is coming to an end and any GP with an annual allowance charge for 2019/20 needs to submit their employer sign off to [PCSE](#) by 11 February 2022 (albeit late applications will be processed if you have not received your information to submit this, or if your information changes post McCloud).

The Scheme Pays application needs to be in with NHSBSA by the hard deadline of 31 March 2022 (late applications will not be accepted, where you have still not received your information we advise submitting an application with a nominal amount which can be amended at a later date, again another window will open for this if your AA position changes after McCloud).

#### **4. Pension tax seminars**

NHSE/I are hosting a number of pension seminars in February for GPs aged 50 and over to address pensions and pension tax. There are 25 places available at each seminar, and slots will be offered on a first come, first served basis – book [here](#)

#### **5. New to Partnership Payment Scheme Evaluation**

NHSE/I are evaluating the structure and impact of the [New to Partnership Payment Scheme](#) to understand better how it is viewed by GPs, whether it has made a positive impact, either for you as new partners or in recruiting new partners to your practice. If you have received this grant payment and would be willing to share your experience and feedback, please get in touch by emailing [england.newtopartnershipenquiries@nhs.net](mailto:england.newtopartnershipenquiries@nhs.net)

#### **6. Herts Sovereign Folk**

We are aware of several practices in Hertfordshire receiving requests for information under the Freedom of Information Act (by recorded mail) from an organisation calling themselves Herts Sovereign Folk.

We have written to both LMC Law and CCGs for advice and guidance as to practices' obligations and will pass this on as soon as it is available.

#### **7. GPC regional elections**

Nominations are **open** for seats to the General Practitioners Committee (GPC) in both of the GPC regions covered by Beds and Herts LMC:

- Cambridgeshire/Bedfordshire
- Hertfordshire

All standard seats are for a three-year term, 2022-25 sessions, subject to governance structure review.

*You must be a BMA member to stand in this election.*

Please note that in previous years there was a requirement that only GPs who paid the voluntary levy could nominate themselves for election. That requirement has now been removed.

To submit your nomination for any of the above seats please visit <https://elections.bma.org.uk/>  
The deadline for all nominations is **12pm Monday 7<sup>th</sup> March**.

If you have any queries regarding the election process, please contact [elections@bma.org.uk](mailto:elections@bma.org.uk)

**Time:** 19:30

*"I am delighted to invite you to a clinically orientated Wise 5 Webinar presented by one of our Wise 5 network GPs who is a true expert in the field of Migraine and its management."*

Once Dr Munro left the practice, she began working as a Headache Specialist GP at the National Migraine Centre, a charity which offers consultations to people with migraines on a voluntary donation basis.

Dr Munro then went on to write a book, 'Managing your Migraine', which is aimed at inspiring people who suffer with migraines to cope with their condition better by understanding what is happening.
